Love for All Hatred for None

November 2011

Issue 6

### Holy Qur'an

"Never shall you attain to righteousness unless you spend out of that which you love; and whatever you spend, Allah surely knows it well." (3:93)

### Hadith

" Narrated Abu Dhar: I reached him (the Prophet ) while in the shade of the Ka'ba; he was saying, "They are the losers, by the Lord of the Ka'ba! They are the losers, by the Lord of the Ka'ba!" I said (to myself ), "What is wrong with me? Is anything improper detected in me? What is wrong with me? Then I sat beside him and he kept on saying his statement. I could not remain quiet, and Allah knows in what sorrowful state I was at that time. So I said, ' Who are they (the losers)? Let My father and mother be sacrificed for you, O Allah's Apostle!" He said, "They are the wealthy people, except the one who does like this and like this and like this (i.e., spends of his wealth in Allah's Cause)." (Sahih Bukhari – Voume 8, Book 78, Number 633)

## Extract of Friday Sermon

Huzur (atba) delivered the Friday sermon on November 4, 2011; Hudhur announced the start of the new Tehrik-e-Jadid year today. At the time Hadhrat Musleh Maud (may Allah be pleased with him) initiated Tehrik-e-Jadid some had arisen to eliminate the message of the Promised Messiah (on whom be peace) from the world. However, when Tehrik-e-Jadid was launched, the Community's response was overwhelming and today we are represented in 200 countries of the world and a revolution is being brought about in the world through MTA. The Community is making sacrifices under the auspices of Khilafat to accomplish the objective of the Promised Messiah (on whom be peace). If only Muslims, who claim love of Prophet (peace and blessings of Allah be on him), understood this and connected themselves to the one appointed by God and offered their services. They would then witness how their lost reputation is restored and how big powers would respect and honour them. No wretched cartoonist or magazine editor or anyone else would dare express anything offensive about the Holy Prophet (peace and blessing of Allah be on him). Recently another ignoble offence was committed by a magazine in France which has hurt us. Hudhur has asked the Jama'at in France to protest against this by lawful means and to make people understand and alert them that such offences can lead to God's chastisement. The world is heading towards destruction anyway. In places natural disasters have occurred and in other places financial devastation is increasing. The reason for this is because people have forgotten God and are offensive about God's beloveds. They are daring God's sense of honour. The world needs to be alerted to fear of God. Ahmadi are doing this work. If the rest of the Muslims understood this, not only would they adorn their world and final end they would also be the recipients of God's blessings.

schemes to collect funds as deemed necessary. The Prophet of God (saw) said that one should contribute to such schemes according to his/her own circumstances. A single person cannot do much. Even large sultanates (countries) run their administrations on monetary contributions, but their taxes are enforced by law whereas religious organizations and movements collect voluntarily, and rely on the intention and cooperation of the contributor. Financial sacrifice is a source of progress in one's faith and can only result due to the love and loyalty to God.

## Life of Prophet: Isa (as)

Mother of Jesus (peace be upon him) forms an integral part of his name so we commence his life by a brief mention of his mother. Grandmother of Jesus (peace be upon him), Hanna, loved pious life and had a keen desire to have a pious child. She vowed that her child would be dedicated to the service of the church (synagogue). In due course she gave birth to a girl who was named Mary.

During those days only males were dedicated to the service of the church. Nevertheless, due to her vows that she had made earlier, she dedicated Mary, her only child, to the service of the church. Zakaria became Mary's guardian. Mary grew from childhood to womanhood in the church and lived a pious and chaste life. So pious was young Mary that her guardian, Zakaria, begged God to grant him a pious son like Mary. He was granted Yahya (John) who became a prophet in due course.
