قَالَ أَمَرَ رَبِّي بِالْقِسْطِ وَأَقِيمُوا وُجُوهَكُمْ عِندَ كُلِّ مَسْجِدٍ وَادْعُوهُ مُخْلِصِينَ لَهُ الدِّينَ كَمَا بَدَأَكُمْ تَعُودُونَ

Say, 'My Lord has enjoined justice. And fix your attention aright at every *time and* place of worship, and call upon Him, making yourselves sincere towards Him in religion. As He brought you into being, so shall you return (7:30)

## Hadith

Religion is very easy and whoever overburdens himself in his religion will not be able to continue in that way. So you should not be extremists, but try to be near to perfection and receive the good tidings that you will be rewarded; and gain strength by worshipping in the mornings, afternoons and during the last hours of the nights. (Bukhari)

## Summary of recent Friday Sermon (11 February 2011)

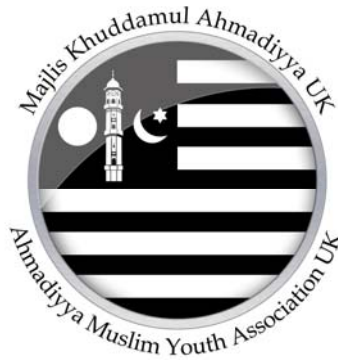

Citing the following verses of the Holy Qur'an, Hudhur spoke about the recent martyrdoms as well as other Ahmadiyya sacrifices in Indonesia in today's Friday Sermon.

'O ye who believe! seek help with patience and Prayer; surely, Allah is with the steadfast. And say not of those who are killed in the cause of Allah that they are dead; nay, they are living; only you perceive not. And We will try you with something of fear and hunger, and loss of wealth and lives, and fruits; but give glad tidings to the patient, Who, when a misfortune overtakes them, say, 'Surely, to Allah we belong and to Him shall we return.' It is these on whom are blessings from their Lord and mercy, and it is these who are rightly guided.' (2:154 – 158)

A few days ago three Indonesian Ahmadi were martyred in a brutal and barbaric attack which has saddened every Ahmadi. However, as ever, as a Community as well as on individual basis, we have reacted to this incident with patience and steadfastness. We take this stance for the sake of God and say: 'Surely, to Allah we belong and to Him shall we return.' Today none can understand these Quranic verses more than an Ahmadi. Our enemy repeatedly persecutes us and we continue to reiterate these verses. An Ahmadi, regardless of belonging to Indonesia, Pakistan or any other country, gives the sacrifice of life and property as it befits a true believer in the spirit that the Promised Messiah (on whom be peace) infused in us. This is in accordance with the teaching of the Holy Prophet (peace and blessings of Allah be on him) and how he trained his Companions. Through the ages followers of each Prophet of God always displayed courage of belief when Pharaoh-like people made them choose between giving up their belief and losing their life. In the time of Moses (on whom be peace) when people realised that his was not worldly magic but in fact was a manifestation of Divine support and as they realised that his message was from God, they accepted him. The Pharaoh was slighted by this and vowed to punish them, to which they said: 'They said, 'We shall not prefer thee to the manifest Signs that have come to us, nor shall we prefer thee to Him Who has created us. So decree what thou wilt decree; thou canst only decree concerning this present life.' (20:73). Whereas, we are the followers of the most excellent among the Prophets to whom the perfect Shariah was revealed and by putting it in practice we can attain high stations of belief. Later, his true and ardent devotee brought back faith from the Pleiades and strengthened our belief. Would we then, waste our belief in fear of Pharaoh's disciples? O' enemies of Ahmadiyyat, wherever on the earth you are, if you want to persecute us, go ahead, but you cannot shift our belief. Such was the response of the people of Indonesia in the recent incident.
